# Ensure the **highest standards of hygiene** and cleanliness for your laundry with Miele Professional

## Washing machines, tumble-dryers and ironers

Offer valid on selected models across our entire laundry range

Learn more at: [www.miele.co.uk/pro/mielemyway](http://www.miele.co.uk/pro/mielemyway)

**Access savings of up to £2,300** on selected models across our entire laundry range for a limited time only.

### Low Water Consumption

Our highly efficient products are designed to work using only the minimum amount of water and detergent. This reduces the strain on both your finances and the environment.

### Impeccable

With our responsive washing and drying programmes, general laundry, towelling, cleaning textiles and clothing is cleaned thoroughly but gently.

### Hygiene First

No matter what kind of material or textile you are washing, our special hygiene programmes for thermal and chemo-thermal disinfection give you the foundation for excellent cleanliness.

### Always Prepared

Our machines are designed and rigorously tested to the highest standard and with a network of over 200 engineers covering every mile of the UK you are in good hands with Miele Professional.

### Minimal Electricity Consumption

Maximum efficiency guarantees the lowest possible energy costs when using our washing machines and dryers.
