There are
lots of
ways
the animals
you treat
**can spread
infection**

Infectious diseases get everywhere

PAWS for thought on laundry

Eradicate infections with
commercial washing machines
and tumble dryers

P

Protect

Use disposable
gloves and aprons to
protect yourself from
contaminated linen

A

Attention

Segregate soiled
and clean laundry
to prevent cross
contamination

W

Wash

Use a commercial
machine to wash at
the high temperatures
needed to kill infection

S

Safeguard

Dry laundered items
in a tumble dryer to
ensure any remaining
bacteria is killed
